### **POLICY:**

Under Board Policy 1.04, the College is accredited by Southern Association of Colleges and Schools Commission on Colleges. North Florida College must comply with all criteria and requirements stipulated by SACSCOC regarding substantive changes.

Prior to making any substantive change including, but not limited to adding, deleting, or changing a program at North Florida College, the District Board of Trustees, with guidance from the SACSCOC liaison, must ensure all accreditation requirements will be fulfilled, including Board approval of any prospectus to be submitted to SACSCOC.
